### **1953 June 5 for July 9, 2014**

Good fellowship prevailed at our 61<sup>st</sup> Reunion Dinner at the Nassau Club, enjoyed by hosts Jean and **Dave Brown**, **Peter Benoliel** and Willo Carey, Sue and **Bill Black**, Dee and **Don Cantrell**, **Jay Cooper**, Louise and **Fred Crispin**, Janet and **Cowles Herr**, **Ned Jannotta**, **Ed Matthews** and Vilma Keri, **George Miller** and daughter Kate, Mimi and **Frank Phillips** & son Frank, Linda and **John Silver**, and Alissa and **Bill Sutphin**. Seen marching in Saturday's P-Rade were **DeNunzio**, **Minners** and **Bill Miller**. At the Alumni Council luncheon Dave and Peter accepted the Class of 1912 Trophy for best percentage Reunion attendance for the 3s & 8s last year. Photo on our website.

See the featured June 4 PAW article by **Matt Herron** about his civil rights activities fifty years ago. A great read.

Many classmates continue vigorous activities. **Jack McCarthy** skied a week at Cortina in the Dolomites and then relaxed for a few days in Florence. **Bob Leach** returned to Boston from rock climbing at Joshua Tree NP in California before taking off with Laurie on a South American cruise. **Charles "Toby" Maxwell** likewise has refused to slow down until just recently, when he retired from his role as energy expert in investment management at Weeden. He remains active in energy research, serves on boards, and combines exercise and a vegan diet to keep in shape. Just last year he won a Track award at our 60th Reunion.

I'm sorry I cannot end the academic year on a fully positive note. **Dave West** advised us that his roommate **Max O. Truitt** of Bethesda, MD died on May 14. We also lost **Curtis W. Caldwell** of Santa Cruz, CA on March 8; **Stanley D. Whitford** of Lafayette CO on March 19, and **Charles Syer** of Virginia Beach on May 6.
