1953: September 9 for October 26, 2016

The legendary PANEK (Princeton Association of the Northeast Kingdom of Vermont), lately near defunct, had a marvelous re-kindling when Deirdre Ely '17 and her parents in Greensboro, VT threw an almost-on-campus gathering to hear The Princeton Roaring 20, an a-capella group that Deidre runs. Tigers included classes from 1946 to 2019 (representing 78 on-campus years). Our photographer-guest focused on the Orange & Black, but there were a few Cornells, Dartmouths, Harvards and Yalies tearing up to "Old Nassau". In its hay day, when Greensboro was home to some 600 souls (3X that in the summer), there were more than 70 members of PANEK. Can any PAs top that percentage?

I hope a good gathering attended the Harvard game and the post-game party. This column is too late to advertise it, but perhaps classmates had the good sense to visit the 1953 website or call **Dave Brown**.

We send thanks and good cheer to the fifty plus class associates and widows who continue to support and follow class activities. I have had the pleasure of contacts with Carolyn **Barham**, Ellen **Decker**, Morel **Harvey**, Barbara **Hauptfuhrer**, Anah **Pytte**, Peggy **Runger**, and Maggie **Tinsman**. I hope they will continue to keep us posted about our Princeton classmate families, but for the rest of you, please do drop us a line or give us a call to update us on our classmates' families. The same goes for extant classmates. Let us hear from you.

A large herd of Binghamton, NY Wilsons attended Princeton. Here are cousins Donald "Nick" Wilson '51 and our **Dave Wilson** celebrating at Tiger Inn.
