1953: September 26 for November 9, 2016

Don Sutherland's widow Denise is excited about the forthcoming all-Princeton wedding of their son Conor Sutherland '10 and Grace DuPont '12. Her parents are Pierre and Jenny DuPont, both Class of 1982. Our classmates who enjoyed the 1953 "Mini" to Berlin, Dresden and Prague will fondly remember Jenny. She coordinated our reunion trip and guided us during much of it. Attendees will remember dinner at the top of the Reichstag (thanks to retired Ambassador to the USA **Immo Stabreit**) when **Bill Close** guided a noisy locomotive for 1953! Gave those formal pin-stripe German folks quite a start!

We've been highlighting the importance to the Class of award-winning treasurer **Bob Kenagy**, so here he is (on the right) with his roommates **John Morrow** and **Bill French**, as of June 1953. Note the uniforms! Much has changed since 1953. I sense that the great majority of us served in the military in the fifties, but how many of our children and grandchildren have done so? A different world.

While many of us await the first marriage of a grandchild, **Don Liebeskind** is thrilled to report the birth of a third great granddaughter, Debra Eve Wolf, on August 21. I'm sure that many classmates already have great grandchildren.

We learned that **Major Johnson** died early last winter, and a phone call from **Sandy Lambert** in Kansas City alerted us to the death of our former Class President **Gordon Beaham** on September 18. Sandy, happily, is fine and still hitting a golf ball.
