The World Series was exciting but perhaps not fully satisfying for **Clark Tufts** of Shaker Heights and **Dave Cowan** of Pepper Pike. Clark is excited about our 65th (only 17 months away!) but in the meantime, he still practices architecture and is often on the tennis courts. He is the 1st reader for his Christian Science Church. Dave will be back in Naples in January, where he will join a fair-sized crowd of '53 classmates in southwestern Florida.

Speaking of Naples, **Vic Williams** sent us this picture of (L-R) **Dave Schnatz**, himself and Suggie, and Carolyn Schnatz from a "hockey reunion" dinner last winter in Naples. Vic and Dave have been friends for seventy years. Princeton won the Pentagonal League Championship in our senior year for the first time since 1941, a splendid achievement for the southernmost team in the league. A strong contingent from '53 led the team: **Bancroft, Bothfeld, Cleaves, Tom Davis, Erdman, Fairfax, Gall, Schnatz, Spencer** and Williams. Captain Bothfeld was our All-American scoring leader. Vic and Suggie from Buffalo spend some summer time in Ontario and winters in Naples; Dave and Carolyn from West Hartford will be in Naples in January. Bothfeld on occasion has made it to Naples. He moved from Warren, NH to a retirement facility in Duxbury MA. Often he visits the Bothfeld family in Cabot VT, near where I spend five months each year. Let us hear from others of that great team, and from others of our Naples - area classmates!

I have learned of the death of **Stanford D. Friedman** but have no details.
