Lindholm reports strong interest in our 65th with already a crunch on accommodations. Housing chairman **Bill Black** recommends six hotels on Route 1, because rooms at Forbes College headquarters are oversubscribed. Call Bill at 484-420-4990 and visit our website for additional up-to-date Reunions information. **Clark Tufts** from Shaker Heights is among the 30+ already making plans in early November.

Geoff Gowen wrote from Flint Hill, VA and **Gordon Daiger** from Bethesda that a DC-area '53 tradition continues: Army-Navy club member **Dick Hobson** hosted **Ned Conquest, Howie Minners**, and themselves to reminisce and solve the world's problems. Howie was enthusiastic about his 3-week trip with Eleanor to the French-speaking Swiss Aps followed by a Rhine River cruise from Basel to Amsterdam. Curvy Swiss alpine roads were no problem for these octogenarians. **Jim Neff** also loves river travel in Europe, especially those with stops for classical music concerts along the way.

Another mini reunion (pictured), was enjoyed by Sue and **Dave West, Peter Paul**, Mimi Gourlay, and Stephanie and **Bill Close** on Nantucket after Labor Day. Good food, great memories, and much anticipation of our 65th.

Joe and Nancy **Briggs** celebrated their 64th anniversary in June and Joe is still playing tennis. A great grandson and a great granddaughter have arrived in their family.

I regret to report more losses: **Vincent R. Duffy** on August 11, **John K. Maitland** on September 6, **William McElwee Miller, Jr.** Sept. 17, **Richard E. Strassner** on October 13, and **Francis M. Donohue** on October 24. Vince was among our youngest classmates and served as Class President.
