2017-4: March 13 for April 26, 2017

A positive note! I have no sad news to report. Our 300+ remaining classmates are hanging in there. Additional good news! Well over fifty of our Class Associates (i.e. widows of our classmates) remain in touch with the Class via the Alumni Weekly and their class dues. Thankyou! I hear from some of you from time to time. The Class welcomes news of all of you and your children and grandchildren. Call or send us email news of the family.

Dottie and **Ian Macfarlane** have been married 60 years and have lived in three states, VA, CA and IND before landing in Atlanta where they've been since 1965. With four children and seven grandchildren, they're kept on their toes. This summer, grandson Bradley Harrison will begin his residency in Medical School and Bradley's sister Kelly, an Auburn grad, will be married. Ian is past president of the Burns Club of Atlanta, the only replica of the 140-year-old Robert Burns Cottage in Scotland. Ian and I were OCS classmates in Newport July - November 1953, and my feeble memory tells me that Ian and Dottie were among a few of us 53ers who gathered one weekend at my parents' farm in Newfane, VT. Also in Atlanta are **Joe Carrigher**, **El Ellinger**, **Jim Green**, and of course **Hugh Richardson** whose service to '53 has been stellar.

Many classmates are scattered around Florida – at least part of the time. I've touched upon Naples and Vero Beach but know less about the rest of the state. Who other than Penny and **Phillips Goodell** are in the Sarasota area? We'd enjoy hearing from you.

On our Class Website: Listing of all Princetonians who died last year (including Muhammad Ali), our Class Scholarships students, **Jon Newman's** judicial award, **Malcolm Kerr** and son Steve, **Len Milberg's** NYC exhibit and **Matt Herron's** glider caper that won the class a PAW tiger paw notation. Do visit the site!

PS: The PAW has added news of the death of William J. Ostrow on February 18 to the April 12 (previous) issue.
