2017-7 – June 7 for July 12, 2017

Our final warm-up for our 65th Reunion was enjoyed by a dedicated clan. **Lindholm** joined the P-Rade and checked out '52's activities in his role as a Chairman of our 65th. A dedicated group, who will help Ools with our 65th, dined at our 64th Reunion dinner at the Nassau Club: **Peter Benoliel** and Willo Carey, Sue and **Bill Black**, Jean and **Dave Brown**, Louise and **Fred Crispin**, Shellie and **Frank Decker**, Janet and **Cowles Herr**, Mimi and **Frank Phillips** and son Frank, and Alissa and **Bill Sutphin**.

Several classmates have been married for more than 60 years. But who has the longest marriage of all? A good bet might be **Jack Robinson**. Jack and June, who met as students at Milton Academy, will complete 65 marvelous years in August. **John Emery** was an usher at their wedding, where he met bridesmaid and his own future bride Patsy Monroe – Jack's cousin. Joining Jack from Milton at Princeton in 1949 were **Bayard Henry** (who is married to John Emery's sister Julie), **Don Harris** and the late **Whitey Willauer**. Jack is a pediatrician who served as school physician at Milton and managed simultaneous pediatric practices in Milton and Boston. All are part of a close-knit Princeton clan: Emery's dad was '24, Patsy's dad and Jack's dad both were '26. Bayard is son of '20 and stepson of '17. Willauer's Dad was '28. Perhaps I fit in somewhat because my Dad was '23 and years later a law partner of Emery's, and Bayard's stepfather from '17 was my immediate neighbor on Caspian Lake.

Our class lost **Donald Kitchell Conover** on March 28 and **William Russell "Russ" Pickering** on May 5.

Have a good summer. Tell us about your travels and accomplishments. Check the class website for additional news until the PAW resumes in the autumn.
