2018-10 – July 26 for September 12, 2018

Still reveling in the success of our 65th! Eventually I will provide the final attendance list here and on our website. Remember our super dinner venues? Thursday at Bedens Brook, Friday at the new Springdale Golf Club, and Saturday at the Forbes (Princeton Inn) dining room. We thank Jean and **Dave Brown** (pictured) for the smoothly run weekend and demanding detailed logistics.

Dick Vannatta's big Princeton entourage embellished Reunions for his family. Daughter Lisa Vannatta Carpenter '85 was there with her husband Bill '85, and son William Carpenter '21, who served on our Reunion staff. Then there was the Tuesday graduation of Sandra Carpenter '18 with a degree in Molecular Biology. Great occasion for all, and there were other similarly large '53 family groups at our 65th!

President **Peter Benoiel** and Willo Carey have been at their Jackson Hole retreat as part of their annual travel marathon. Peter intends that we won't be idle between now and our 70th, so please anticipate mini reunion ideas. Our DC group hasn't waited, however. **Daiger, Gowen, Hobson** and **Minners** planned to convene on July 26, as this issue goes to press.

Our Class has lost **Lincoln P. Brower** of Roseland, VA on July 17. A well-known entomologist, Linc spoke to us at our 60th. **Robert L. Slighton** of Princeton died on June 21 and **Henry T. Donohoe** of San Francisco died on June 17. Hank's ashes will return to both Seattle, the family home, and to his beloved Montana. **Clarke W. Slade, Jr.** of Wilmington died on May 23rd.

Correction! Those pictured in our July 11 PAW: **Jannotta, Lindholm**, President Eisgruber '83, Benoiel & **Matthews**.
