2018-67– April 2 for May 16, 2018

Dick Corkhill returned to NJ in January after a 3-day visit with **Dale Sprankle** in Santa Cruz, CA. where they were able to solve most of the world's problems. Perhaps you can suggest solutions for those not yet solved when you see Dick at Reunions.

Ned Conquest sent me a copy of his latest book, published by Apollonian Press, "*Plays and Plaints*" I will bring it to Reunions to share with classmates.

It's been 53 (yes – '53!) years since **Howie Minners** greeted **Pete Conrad** when Pete returned from the moon and splashed down in the Atlantic Ocean. Howie was a flight surgeon and head of the Flight Medicine Clinic in Houston at the time. With an MD from Yale and a Masters in Public Health from Harvard, Howie's impressive career in medicine included his Navy and NASA period, followed by the NIH, the World Health Organization, and advisor to the US AID program. There's much more to his story than I can provide here, but Howie's very special life was praised in the Montgomery Magazine (Maryland) and can be read on our '53 website. He hopes to attend Reunions.

At press time for this issue (April 2), already six associates and sixty classmates have signed up for Reunions: **Bill Anderson, Bailey, Ann Bain, Bender, Benoliel, Black, Brandt, Briggs, Dave Brown, Anne Bryant** (widow of Peter Ross), **Buell, Carleu, Close, Corkhill, Crampton, Bill Davis, Bob Davis, Decker, DeNunzio, Driemeyer, Duffy, Dwight, Fowler, Frorer, Gaillard, Gates, Gray, Harwood, Barbara Hauptfuhrer, Henry, Herr, Hertelendy, Hjelm, Hobson, Hudnut, Kellogg, Kenagy, Kirk, Kohler, Lawrence, Leach Lindholm, Ed Matthews, Maxwell, Neff, Newman, O'Brien, Marie Perrine, Phillips, Rea, Rice, Ritter, Roberts, Roblin, Peggy Runger, Seward, Stenson, Stone, Denise Sutherland, Sutphin, Thomson, Vannatta, Velde, Voorhees, Waterbury, and Alex Williams.** If you haven't registered, please call Bob Kenagy (860 375 5971).

While searching for his Cottage clubmates to urge Reunion attendance, Don Dwight discovered that **David Tait** died on February 16 in Victor, NY.
