**1953 November 10, 2014 for January 7, 2015**

Dave **Brown** wrote that the view of autumn color from the top of the Fine Tower on Oct. 25 after the Harvard game was superb. We won't dwell on the earlier afternoon's field events, but he reports that spirits were provided and thereby spirits were revived for many classmates, kin and friends of the class. In addition to Jean and Dave, the following shared tears, food, drink and camaraderie: Stephanie and Bill **Close**, Patty and Don **Conover**, Jay **Cooper** and extended family, Kathy and Dick **Corkhill**, Louise and Fred **Crispin**, Bob **Davis**, Frank **Decker**, Janet and Cowles **Herr**, Ned **Jannotta**, Liane and Tony **Kohn** with Harry, Deb and Fred **Lawrence**, Peter **Paul**, Lynn **Parry**, Mimi and Frank **Phillips**, Barbara and Jim **Saffery**, Mary Ellen and Tom **Voorhees**, Sue and Dave **West**, and Pat and Steve **Waterbury**. **DeNunzio** and **Milberg** were also seen on the premises,

Don and Nancy **Dwight** have sold their Boston apartment and consolidated their lives at Palmetto Bluff in Bluffton, SC. "We've traded the cold winters for southern living – and appreciably less complexity. My New England roots run too deep to abandon MA and NH completely, so I'm counting that frequent visits, especially with our newspaper interests in the two states, will keep me current." He sent his best to **Heyniger**, **Hiser**, **Pytte** and me at Kendal, having once lived just up the road in Lyme, NH.

Dean **Pringle** of Louisville, KY finds it hard to believe that 2014 was his 18<sup>th</sup> year of retirement from BF Goodrich. Persistent "A-fibs" have reduced his mobility and travel opportunities, and he has missed the last several autumn minis attended by his '53 chums Dave Brown, Conover, Kohn, **Saffery**, **Voorhees** and **Wei**.

My notes remind me that Ted **McClain**, MD was remarried a year ago to Delores Riddle. Hearty, albeit belated, best wishes from 1953.

I am sorry to advise that William C. **Osgood** of Framingham, MA died on August 29, 2014.
