Robert Dunbar Campbell Long Robert Dunbar Campbell Long, 85, passed peacefully on October 30, 2016, at Hilton Head Hospital. Robert was a graduate of [Princeton University](#) with a degree in Music. He enlisted in the [Army](#) in 1953 and was awarded a National Defense Service Medal. In 1962, Robert acquired Toy Magic, a toy store located in Charleston, WV. For over 20 years, he was very involved in the community sponsoring a midget football team and box car races. He would stay open until the wee-hours on Christmas Eve to assist frantic parents with their "Santa work". Robert sold the toy store and retired in 1986 to Hilton

Head, SC to pursue his beloved hobby of golf. He continued his community involvement by patronizing local small businesses and restaurants. He always made friends and encouraged those around him. Robert could be seen riding his bicycle in Hilton Head Plantation fixing broken mailboxes, or lending his car and handling the auto repair so the neighbor could go to work. Robert was instrumental in building and reconstructing the pipe organ at St. Matthews Church in Charleston, WV. To this day, he has helped churches in ways that only God knows. He is survived by two remaining sisters, Phoebe Long Rogers of Hilton Head, SC, and Margot Long Brauchli of Boulder, CO, and 22 nieces and nephews. A Life Celebration is planned for Saturday, 2PM, January 7, 2017 at The Seabrook, 300 Woodhaven Drive, Hilton Head, SC. In lieu of flowers, donations may be made in his name to Samaritan's Purse, PO Box 3000, Boone, NC 28607. www.keithfuneral.com
